## Staffing Update

I would like to warmly welcome three new staff members to our team.

Susan Ridley has joined us as a Literacy Specialist Teacher, Shaun Osborn in the Grade 7 area teaching Humanities and Rosalie Wallace in our Maths / Science team.

We welcome back Brian Webber to our Chaplaincy team. Brian will join us every Monday until the end of the year.

I wish all of our new staff the very best as they begin their journey here at Devonport High.

Rob Fleming  
Acting Principal
